Dress Down Days:

Throughout the school year, students may pay a \$1.00 donation to our Share the Love Charity Campaign to dress down on Fridays. Students may wear their choice of clothing. The only restrictions include spaghetti/thin straps, short shorts/skirts and clothing containing inappropriate logos/print.

School Closet:

We are asking parents to return/donate **any lightly-worn JLP dress code shirts (tops only)** to school as your child outgrows them, so that we can continue our collection to pass down to families in need. This collection will also be available in case a child is out of dress code and needs to borrow a shirt for the school day.

Dress Code Consequences:

If a child is out of dress code and not able to borrow from the school closet, guardians will be contacted to bring proper clothing to school or they will need to pick up their child that day.

Students will receive one dress code warning, any subsequent occurrences will result in after school detention on the next school day.

Reminder, hooded sweatshirts are NOT allowed in school!

Due Date/Pick-up:

Please return the attached order form by Wednesday, May 22 and send in any additional items you wish to have embroidered for next school year. All items must be in one sealed bag with your child's name on it.

Additional items for embroidery may also be dropped off on one designated drop off date in the drop off box outside of the school on Monday, June 24 from 9:30-1:00.

There will be one designated uniform pick up date in August. It will be announced on the school remind system. All uniform orders must be picked up that day, or they will be sent home with your child on the first day of school.
